Happy Thanksgiving

Thoughts From Your Board Member

by Marilyn Allen

In this season of Thanksgiving, we can be thankful that there may be a few more good days to enjoy our cars before they are put to bed for the winter.

In the spirit of Thanksgiving, I would like to suggest that we bring a food item to contribute to the Mid-Ohio Food Bank. They are so appreciative of donated items.

I would like to thank Jim and Brenda, Bruce and Rita, Debbie and Mark for attending the Oktoberfest at the

Fairgrounds. The manager of the event has invited us back for next year and wants some ideas as to how to better use our cars at the event.. Ideas??. please contact me.

I would like to thank Ted, Brenda, Linda, and Brad for attending the Maennerchor Oktoberfest. We will need to find a spot that will give us more visibility.

On September 28th, I represented our club at the award ceremony for Scout Troop 21 in Pataskala. I presented the troop with a 200 dollar check and a certificate for their club house. They were most appreciative and are looking forward to parking cars for the 2010 Volksfest. They are certainly a nice group. I

Bruce Raymer continues to add to his fleet of cool things, this time with a tiny tear drop trailer, perfect for those weekend get -a-ways!

am so glad that they are willing to park cars and do such a good job.

Due to the shortness of time and the lack of cars, we did not participate in the OSU Homecoming parade this year. Let us look forward to Homecoming, 2010.

I had hoped to have Charlie Cox as a speaker for the November meeting. Charlie retired from Volkswagen after 43 years. He has many memories and items to share. But he will be in Arizona in November. We will reschedule Charlie for another meeting.

Our meeting promises to be a full one. In addition to our agenda, we will be nominating and electing new board/officers. I believe that it is the general agreement that we hope to continue with board concept. Please think about joining the board and/who you would like to have on the board.

We will also have a member from Kids n' Kamp present at our meeting. We are able to make a further donation to Kids n' Kamp.

Celebrating 22 Years Of Service!

Door Prizes are always welcome. Thanks to all of you who bring door prizes each month. The Maennerchor is very apprecitive of our donation of half of the 50/50 drawing. I have found an activity from an old Zundfolge for us to do at the meeting. I will also bring some yearbooks to the meeting.

I can not end this article without asking everyone to wear their nametags to the meeting. AND if you can not find yours, I will be glad to order you another one.

Please bring pictures for the yearbooks. Pictures add so much to the history of the club.

I hope to see each of you at the meeting. Please remember to bring a food item for the mid-Ohio Food Bank.

MINUTES OF COVVC MONTHLY MEETING

Meeting opened at 7:45 by Tom Kern in Charge. Tom thanked Mark for writing the newsletter article for him. Said that Kathy is recovering from a broken foot. Said due to circumstances they will not be hosting the Christmas newsletter folding in December. Garretts volunteered to host the Christmas party.

Tina mentioned a few remaining Cruise Ins for October. Bob gave the Treasurer's report. Income from the Show around the same for 2008 and 2009. Gross \$15,078. \$13,000 on hand. Expenses per month around \$300 for newsletter and stamps. Up around 100 in spectators.

Marilyn, historian, thanked everyone who came to Octoberfest at the Fairgrounds and Maenchor. We have been invited back again next year at both festivals. Said there is a nice article in Volkswagen of America newsletter.

Show T-shirts still available. Marilyn said she attended the Boy Scout award meeting and was impressed with the meeting. Gave them \$200 and a certificate from the Club. They would like to continue parking cars at our show. They thought it might be nice to park VWs in one area and the rest in another area.

Brenda said she is trying to update her mail list. If you are not getting e mails, let her know. Said she would like

some VW moments to put in the newsletter.

Mike Williams from Springfield has a friend who is an artist. Mike brought VW prints for sale for \$10. Also t shirts with VW prints. He will bring them back again next month.

Bill Huntsman Marion tour will be Oct 24th.

Mike Young wants to know what the Club wants to do with the big wooden bus. Suggested burning it at Al Moore's. Al doesn't want to burn the bus. Ray Duane also doesn't want to see it burned. He volunteered to get together with Ted to see about restoring the bus. It is currently at Ted's place. Tom said one problem is getting it back and forth to the show and storage. Mike Williams said he could store it at his place in Springfield.

Teresa said we need to keep kids from climbing inside due to liability factor.

Linda said we currently are at 228 members. She said that Mike Roker from outside Cleveland would like to start a northern branch up there. Stark said he gets lot of inquiries

regarding a club up north.

Brenda said it is time to think of where to have the Jan banquet. Schmitt's was last year and La Scalla was the year before.

Result of the pumpkin pie contest – Karma Wuertz was the winner. After the meeting all enjoyed pumpkin pie and coffee.

LIFE IN THE 'PAST' LANE

by Marilyn Allen

Continued from October, 2009

The winner of the 2000 t-shirt design was Karl Bontrager. Karl received a t-shirt and a year's membership as an award for the t-shirt design.

Our February meeting featured a guest. He was Aaron Leventhal. Aaron spoke to the group about our participation in the Oktoberfest in September and the Cruisin' on the Riverfront in July.

The Columbus Auto Show was held from March 4 to 12 in 2000. Our club was well represented at the show by the cars of Tom and Judy Diley, Don and Karma Wuertz, and Justin Wilt. We also had a table for newsletters, show fliers, etc.

The March meeting was held on March 9th at Capozziello's for our annual toy meeting. We also had

Split Window

Beauty

Most vintage purists hold the split window Beetle in high regard, as they represent the Beetle in its most pure form. This is a 1946 model, produced shortly after the end of the war. With a 25hp motor and mechanical brakes, it was primitive to say the least. From these humble beginnings, the Beetle went on to become the most mass produced car in history!

Memorable VW Moments

A few of you submitted memorable VW moments at the October meeting. Unfortunately, we don't know who submitted them, but they're still memorable nonetheless!

- '52 in a 35 mile zone - arrogant cop - \$105 fine." (Who doesn't see the irony in that?!)

- 5 people with 3 dogs camped out in the Motorkars parking lot overnight in a '69 camper." (Not sure if we should call Mike Young or the Humane Society!)

Send us your Memorable VW Moment by mail, or email your Moment to garrett48@ameritech.net. Type "Zundfolge memorable VW moment" in the subject line. We want to hear from you who submitted them, but they're still memorable nonetheless!

Columbus Zoo Car Show

by Mark and Debi Garrett

With beautiful fall weather on tap for the second annual Colo's car show at the Columbus Zoo, it was shaping up to be an enjoyable day of car and zoo fun. The show is held in the new Colo section of the Zoo, which is off to the left of the main entrance. We made the mistake last year of getting there towards the end of registration, and weren't even able to park with the main part of the show. We arrived this year right at the start of registration, and were rewarded with a prime parking spot, right next to a group of GTO's! Gertrude sure seemed small next to that bunch!

Once we got everything set up, our kids and grand kids joined us for breakfast. After breakfast, we spent the morning and early afternoon touring the Zoo, enjoying all of its various attractions. It truly is an amazing place! Heading back to the show, Mark Richmond had arrived and was also soaking in the lovely fall day and the many different cars on display. At trophy presentation time, Gertrude won a top 40 award and Mark received the Jack Hanna award for the Ghia. What a day!

Greetings From Down South

I recently received this e-mail update from former club members Paul and Patty Goldzung. That's Paul And Patty at left, and also pictured are some of his latest toys! Enjoy. M.G

SC. I learned to MIG weld so now I do it all...
How is the club.. WE sure do miss everyone. It is good to be out of Athens but the long term friends are hard to replace.. We have a great VW shop here in town " J-3 restorations" but not much club or show activity. Rich, who owns J-3 does some of the best work that I have seen... It is easy 356 Porsche level stuff. His pans are pieces of art !!!!!!!! !
Patty and I want to come up for your big show this coming summer if all goes well. We still have our New beetle Turbo Cab...It is a rocket ship. We came back from Birmngham,AL. last week with all the college football traffic in I-65 and we ran 95 MPH and got 28 MPG !!!!! We kicked butt on a few big Mercedes Benzes.

Hello to everyone and take care
Your VW friends

Paul Smith announced that he was planning a calendar of COVVC's members' cars. He was planning to put our meeting dates, Volkfest date, and officers names on the calendar. If members were interested in having their car on the calendar, they were to submit a picture to Paul. The calendars were ten dollars each.

The social committee met in March and suggested possible social events such as a picnic, bike road rally, bed

Marion Tour 2009

by Mark and Debi Garrett

With memories of last years Marion tour, and its post card perfect fall weather, reality set in on Saturday morning, when clouds and rainy skies greeted the attendees for this years gathering. Not to worry, as almost 40 VDub enthusiasts made the scene for another great day of food, fun and entertainment.

Starting with the traditional lunch at El Camposino, and the ever popular happy birthday sing along for Bill Huntsman (and the ever popular big hat!), our group was off to it's first stop, the Marion Christian TV Station. We received a guided tour of the facilities, along with an entertaining history of the station. The big treat of the tour was participating in a "TV show". While it wasn't broadcast, it was recorded for future generations to enjoy! Bill sat in the guest of honor chair, and we came to the stage, two at a time, and said a few kind words. It was certainly fun, and something different for this years outing.

Next up was the Huber Equipment museum. We have toured this several times, but it is always enjoyable. Also, Bill's father worked at and retired from Huber. By the time we arrived here, the weather was starting to clear up, with sunny skies, but gusty winds reminded us that it is Fall in Ohio.

Capping off the day, and always one of the highlights of my year, it was off to the cemetery for the "touching of the big granite ball". This is the mysterious ball that rotates for no apparent reason. The spot I'm pointing at should be directly on the base, but as can be seen, has shifted over the years. If I am remembering correctly, I believe it has shifted down and to the left compared to last year. We will have to go back next year!

A big thanks to Bill and Olivia Huntsman for organizing this now "must attend" annual event. They always do a great job.
