

# FOR SALE - 1974 SUPER BEETLE CONVERTIBLE

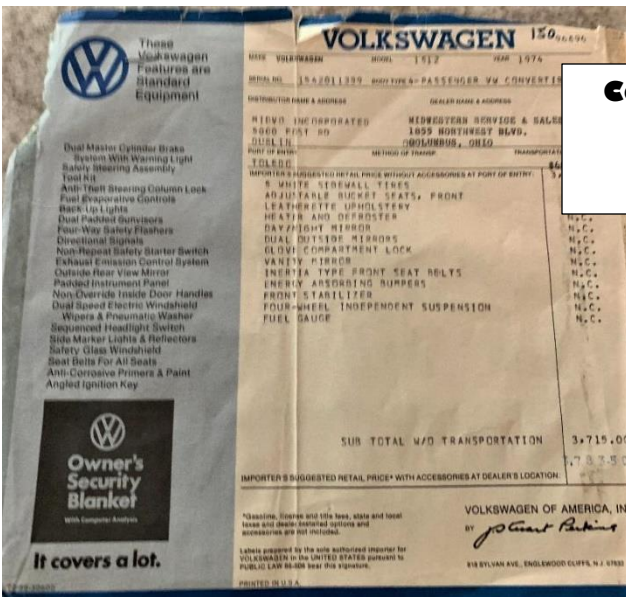

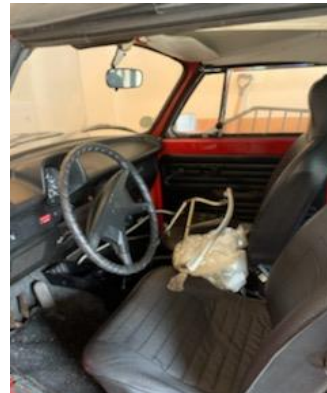

In 1974 this cute little bright red Volkswagen Beetle convertible arrived at the Toledo docks then headed to Columbus to meet its owner who had ordered it months before.

It was love at first sight when Mary Lou McNutt gave her new car the name, "Lady Bug". To this day, Lady Bug' has remained with the McNutt family. For many years she took Mary Lou to the school where she taught. Then as time passed and the family grew, Lady Bug' became a hobby for Larry McNutt, who kept her 'ship shape'. He even joined the Central Ohio Vintage Volkswagen Club and participated in many local car shows and events. Since his passing 'Lady Bug' was retired to a cozy garage where she rests now.

Below are some further details that might be of interest.
